Dear gentlemen,

In response to your request for submitting a "replacement abstract commencing on a separate sheet" as described in the included copy of your request, a document containing said abstract is included, and in addition, if it benefits the circumstance, I am also including the last page of the original claims with no change whatsoever with the abstract removed. Replacing these both pages will separate the abstract from the claims and regularize the situation.

Thanks in advance for your kind help in the resolution of this involuntary mistake, and if any further requirement needs be fulfilled, please kindly contact me at your earliest convenience to the address and/or phone number listed below.

Yours truly,

A handwritten signature in black ink, appearing to be "Eduardo C. Vasquez".
